

Beautiful Dying to Host the 1st Global Virtual Dying and Death Tradeshow

San Diego, CA, September 11, 2001
Beautiful Dying Expo / by Michele Little

Expanding awareness and meaningful conversations, demystifying dying and death by bringing industry experts together to share their tools, ideas and resources with a public looking for answers.

Friday, November 13, 11:00AM to Sunday, November 15, 6:00PM PST

Virtual - *For Immediate Release*: The Beautiful Dying Virtual Expo will be held November 13 – 15, 2020 on a computer screen near you. This three-day cyber-event will feature virtual workshops and panel discussions designed to raise the collective consciousness and bring peace and clarity to the issues surrounding dying and death.

Tracks (The Cyber-Curriculum)

An exploration into innovative tools and resources showcased in each track and offered and developed by our experts with you in mind:

- Financial and Estate Planning
- Advance Health Care Planning
- End of Life Care
- After Death Events
- Holistic Alternatives
- Grief Support
